

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

TOBI-JO L. JOHNSON,

Plaintiff,

v.

PJ PACIFIC, L.L.C., an Oregon limited  
liability company; and GLACIERSAIL,  
INC., a Grand Cayman corporation,

Defendants.

NO. 2:22-cv-00020-RSL

ORDER

This matter comes before the Court on plaintiff's "Motion for Default Judgment." Dkt. # 14. Plaintiff has shown that defendants' failure to pay cure was willful and exhibited callousness and indifference to her plight, justifying her request for an award of punitive damages. Plaintiff has not, however, provided evidence supporting her claims for compensatory damages in excess of the costs of cure or for attorney's fees.

The Clerk of Court is directed to renote plaintiff's motion for default judgment for consideration on February 17, 2023. Plaintiff shall, on or before that date, supplement the record to support her claims for compensatory damages and attorney's fees.

Dated this 27th day of January, 2023.

ROBERT S. LASNIK  
UNITED STATES DISTRICT JUDGE
